THE BIDS AND AWARDS COMMITTEE
THRU: Atty. ARTHUR FRAN P. TOLCIDAS
BAC - Chairman

Dear Atty. Tolcidas:

This office issued E.O. No. 51 series of 2024 in connection with the southwest monsoon and heavy rains which until now, is severely affecting areas in the province, specifically Canlaon City, Bayawan City, and the municipalities of Zamboanguita, Siaton, Sta. Catalina and Basay. Thus, there is a need to address this emergency and prioritize the basic needs of those families affected.

In view thereof, kindly cancel the following requisition (intended for purchase of medical and laboratory supplies/apparatus for distribution to constituents of Negros Oriental). Rather than purchasing these items in the meantime, it is necessary to purchase preposition goods and other basic supplies for the assistance of those affected evacuees.

1. "Purchase of 3,200 units Elite Compact Nebulizer for distribution to constituents of Negros Oriental, Office of the Governor, Province of Negros Oriental" (Bid No. B-306-2024 – ABC:P6,000,000.00).

2. "Purchase of 800 units Aneroid Sphygmomanometer Apparatus BP-Standby Model with Wheels for distribution to constituents of Negros Oriental, Office of the Governor, Province of Negros Oriental" (Bid No. B-307-2024 – ABC:P4,000,000.00).

For your guidance and compliance.

Thank you.

Truly yours:

MANUEL L. SAGARBARRIA
Governor
